ALUMINUM

Aluminum diamond checker plate

Aluminum diamond checker plate for protective panels, equipment surfaces and fabricated trim. Compare the listed thicknesses in 4 × 8 ft and 5 × 10 ft sheets.

4 × 8 ft

5 × 10 ft

Confirm exact colour and finish with a sample.

SIZES, COLOURS & ORDER OPTIONS

Colour / finish	Sheet size	Thickness choices
Confirm finish	4 × 8 ft	1/16 in (0.063 in nominal), 1/8 in, 1/4 in
Confirm finish	5 × 10 ft	1/16 in (0.063 in nominal), 1/8 in

BEFORE YOU ORDER

Confirm alloy, temper, base thickness versus raised pattern and finish. A 3003 label in an older brochure does not identify every current option.

ALUMINUM

5052 aluminum sheet

5052 aluminum flat sheet for fabrication, panels and formed components. Thickness choices differ across the 4 × 8 ft, 4 × 10 ft and 5 × 10 ft formats.

4 × 8 ft

4 × 10 ft

5 × 10 ft

Confirm exact colour and finish with a sample.

SIZES, COLOURS & ORDER OPTIONS

Colour / finish	Sheet size	Thickness choices
Confirm finish	4 × 8 ft	1/16" (0.063", 1.5 mm), 1/8" (0.125", 3.2 mm), 3/16" (0.1875"), 1/4" (0.250", 6 mm), 1/2" (0.5", 12 mm)
Confirm finish	4 × 10 ft	1/32" (0.030", 0.75 mm)
Confirm finish	5 × 10 ft	1/16" (0.063", 1.5 mm), 1/8" (0.125", 3.2 mm)

BEFORE YOU ORDER

5052 alloy is listed; temper is not specified. Nominal inch fractions and rounded metric labels are not exact conversions. Confirm tolerance for fitted parts.

ALUMINUM

White Aluminum Sheets

White-finished aluminum sheet provides a surface for signs, display panels and fabricated trim. The listed standard option is 0.025 in thick, 4 × 10 ft, with white faces on both sides.

BEFORE YOU ORDER

Listed thickness is 0.025 in. White/White identifies both faces. Confirm alloy, temper, coating and tolerance.

Confirm exact colour and finish with a sample.

SIZES, COLOURS & ORDER OPTIONS

Colour / finish	Sheet size	Thickness choices
Custom	Custom size	By quote
White / White	4 × 10 ft	0.025 in

Choose the panel thickness and dimensions around your layout, including folds, fixing holes and the edges that will remain exposed.
