SPECIALTY PRODUCTS

Shooter Tutor

Shooter Tutor is a 3/8 in HDPE hockey target panel for shot-placement practice. Confirm the finished panel dimensions and net fit for your training setup.

BEFORE YOU ORDER

3/8 in HDPE; blue, yellow, black and white. Finished panel dimensions, net fit and attachment details need confirmation.

Confirm exact colour and finish with a sample.

Net fit: Confirm finished panel dimensions and attachment fit before ordering.

SIZES, COLOURS & ORDER OPTIONS

Item	Complete listed option
Listed option	Shooter Tutor, Blue
Listed option	Shooter Tutor, Yellow
Listed option	Shooter Tutor, Black
Listed option	Shooter Tutor, White

Check the panel dimensions and attachment arrangement against the net, and leave enough space around the training area for your drills.

SPECIALTY PRODUCTS

AC Unit Plexiglass Insert

Plexiglass window inserts are cut around portable air-conditioner exhaust fittings. The window opening, hose fitting and mounting arrangement determine the finished panel.

BEFORE YOU ORDER

Large and Small are labels, not measured dimensions. Supply window opening, hose fitting, cutout and mounting measurements for a quote.

Confirm exact colour and finish with a sample.

SIZES, COLOURS & ORDER OPTIONS

Item	Complete listed option
Listed option	Large
Listed option	Regular
Listed option	Small

Provide the opening dimensions, exhaust fitting measurements and any mounting details when requesting a custom insert.

Off-cuts

Acrylic off-cuts and other leftover sheet pieces can suit models, prototypes and small repair projects. Material, finish and usable dimensions vary by bundle.

BEFORE YOU ORDER

Bundle names do not establish piece count or dimensions. Confirm material, colour, usable sizes and bundle contents against current stock.

Confirm exact colour and finish with a sample.

SIZES, COLOURS & ORDER OPTIONS

Item	Complete listed option
Listed option	Bundle 50
Listed option	Bundle 100
Custom	CUSTOM

Choose a bundle around the usable area you need; the available materials, finishes and piece dimensions depend on current stock.
